Requirements:

- Malaysia Citizen
- Diploma / Degree holders in ICT-related fields
- CGPA of above 2.5
(Candidates with below CGPA 2.5 requires to sit for pre-qualifying test)
- Available k-workers (fresh graduates, unemployed, in-between jobs or retrenched) interested in a career in the ICT industry.

MSC Malaysia via its K-Workers Development Initiatives (KDI) is driving the provision of last mile skills training to potential knowledge workers (k-workers) for the ICT industry. Trainings are currently done through partnership with training providers appointed by Multimedia Development Corporation (MDeC).

MSC Malaysia Job Camp, a KDI programme, provides fresh graduates and available k-workers the necessary training to fill immediate vacancies in MSC Malaysia Status companies.
